RMFC DELIVERS ELITE OPPORTUNITIES

38TH ANNUAL PENN FUSION SUMMER CLASSIC | AUGUST 8-9, 2026

BE BRAVE. That was the theme as Real Maryland Football Collective took its Summer Select program to the 38th Annual Penn Fusion Summer Classic in West Chester and Downingtown, Pennsylvania.

RMFC brought together players identified through training, evaluations, camps, academy sessions and partner organizations. Five teams represented the Collective: **7v7 Girls, 9v9 Boys and Girls, and 11v11 Boys and Girls.**

WE SAID ELITE OPPORTUNITY. WE MEANT IT.

The defining part of the weekend was simple: **every selected player received the tournament opportunity free of charge.** RMFC provided the jerseys and covered the opportunity. In a youth soccer environment where another experience often means another bill, we wanted the invitation to mean something different: **you earned this - come play.**

Penn Fusion's 2026 Summer Classic marked the tournament's 38th year, with boys competing Saturday and girls Sunday in a one-day-per-gender format.

THE OPPORTUNITY WAS REAL.

THE RESULTS GAVE US SOMETHING TO CELEBRATE.

11v11 BOYS - PENN FUSION SUMMER CLASSIC CHAMPIONS

The RMFC 11v11 Boys brought home the championship. Our 7v7 Girls posted a winning record and finished third, separated by goal differential.

THE TROPHY IS PROOF. THE OPPORTUNITY IS THE VICTORY.

The results showed our players could compete. But the larger RMFC story is that five groups of boys and girls were given a chance to step outside their normal environment, join new teammates and test themselves - **without their families being charged for the opportunity.**

That is what we mean by **Elite Opportunity**. Penn Fusion was one weekend. The mission is to keep creating more.

BE BRAVE. JOIN THE COLLECTIVE.
